Notifications by the Govt. of India: Resident: Chief Court, &c.

FINANCIAL DEPARTMENT.

To the Deputy Commissioners of Districts, Circular No. 1712, *dated* 28*th January* 1889.

As there appears to exist some misapprehension with regard to the calculation of acting allowances due to an officer acting as Amildar, the Comptroller has the honor to state that Circular No. 956, dated 13th December 1872 is obsolete, and that such allowances should be computed at 20 per cent on the pay of the class in which he is appointed to act and not on the average pay of the grades of Amildars.

The same principle should be followed in the case of Deputy Amildars also.

A. RANGASWAMAIENGAR,
Comptroller.

FOREST DEPARTMENT.

NOTIFICATIONS.

The 10*th January* 1889.

Applications are invited for two scholarships from candidates wishing to prosecute their studies in the Forest School at Dehra Dun. They must be Natives of Mysore and must have received a liberal education. Graduates in Arts will be preferred. Each candidate must furnish a certificate of sound health, good vision and hearing, from the Civil Surgeon of the Station nearest to his place of residence. The successful candidates will be granted scholarships of Rs. 30 each per mensem for the period they are required to remain at Dehra Dun, the scholarships being held subject to the condition of their giving satisfaction in the prosecution of their studies. They must engage to serve the Mysore Government on passing out of the school for a period of at least five years or to refund the scholarships they may have drawn. On obtaining their diplomas, they will be appointed Probationers in the Mysore Forest Department on Rs. 100 a month.

Candidates will be required to undergo a preliminary examination in the marginally noted subjects, to be held in the Office of the Inspector General of Forests at Bangalore, in the first week of June next and the candidates selected will join at Dehra Dun on the 25th June 1889.

English—Composition and Conversation.
Arithmetic. Algebra—up to and including quadratic equations.
Elementary Geometry. Mensuration—lengths, area and volume.

Applications should be addressed to the undersigned so as to reach him before 15th April next.
